FOLLOWING FORM BLANKET EXCESS LIABILITY POLICY

The Company designated above, a stock insurance company, (herein called the Company) agrees with the insured, named in the declarations made a part hereof, in consideration of the payment of premium and in reliance upon the statements in the declarations and subject to the limits of liability, exclusions, conditions and other terms of this policy:

INSURING AGREEMENTS

1. Coverage. To indemnify the insured for the insured's ultimate net loss in excess of the insurance afforded under the Blanket Excess Liability or "Umbrella" policies specified in Item 7 of the Declarations, hereinafter called underlying insurance, in full force and effect at the inception of this policy, provided that the insurance for injury to or destruction of property under this policy and underlying policies shall not apply except as respects injury to or destruction of corporeal property, including loss of use thereof.
2. Limit of Liability. The Company shall be liable only for the limit of liability stated in Item 3 of the Declarations in excess of the limit of liability of the applicable underlying insurance policy or policies as stated in the declarations of this policy. The limit of liability stated in the declarations as applicable to "each occurrence" shall be the limit of the Company's liability for all damages sustained as the result of any one occurrence, provided, however, in the event of reduction or exhaustion of the applicable aggregate limit or limits of liability under said underlying policy or policies solely by reason of losses paid thereunder on account of occurrences during this policy period, this

policy shall in the event of reduction, apply as excess of the reduced limit of liability thereafter. Subject to the applicable limit of liability as respects each occurrence, the limit of liability stated in the declarations as "aggregate" shall be the total limit of the Company's liability for all damages sustained during each annual period of this policy.

3. Policy Period. This policy applies only to occurrences which take place during the policy period.

DEFINITIONS

"Ultimate net loss" means all sums actually paid, or which the insured is legally obligated to pay, as damages in settlement or satisfaction of claims or suits for which insurance is afforded by this policy, after proper deduction of all recoveries or savings.

CONDITIONS

1. Maintenance of Primary Insurance. The Insured warrants and it is a condition of this policy, that at the inception of this policy insurance afforded by the underlying policies of insurance (apply-

ing as excess over various policies of primary insurance) with combined limits of liability for each underlying insurance stated in Item 4 of the declarations, or renewals or replacements thereof not affording coverages other than those at inception of this policy, shall be maintained in full effect during the period of this policy, except for reduction of aggregate limits solely as a result of payment of claims arising out of occurrences during this policy period.

If underlying insurance is not maintained in full effect by the insured or if there is any change in the scope of coverage under any underlying insurance, the insurance afforded by this policy shall apply in the same manner as though such underlying policies had been so maintained and unchanged.

The insurance afforded by this policy is subject to the same warranties, terms (including the terms used to describe the application of the limits of liability), conditions and exclusions as are contained in the underlying insurance on the effective date of this policy, except, unless otherwise specifically provided in this policy, any such warranties, terms, conditions or exclusions relating to premium, the obligation to investigate and defend, the amount and limits of liability, and any renewal agreement.

2. Notice of Occurrence. The insured shall immediately advise the Company of any occurrence or disaster which will probably result in liability under this policy. The Company shall not, however, be called upon to assume charge of the settlement or defense of any claims made, or suits brought, or proceedings instituted against the insured, but shall have the right and opportunity to be associated with the insured in the defense and trial of any such claims, suits or proceedings relative to any occurrence which, in the opinion of the Company, may create liability on the part of the Company under the terms of the policy. If the Company avails itself of such right and opportunity, the insured and the Company shall cooperate in all respects so as to effect a final determination of the claim or claims.

3. Payment of Loss. It is a condition of this policy that the insurance afforded under this policy shall apply only after all underlying insurance has been exhausted. Upon final determination by settlement, award or verdict of the liability of the insured, the Company shall promptly pay the insured as the insured shall pay, or be required to pay, the amounts of any losses falling within the terms or limits of this insurance. All losses covered under this policy shall be due and payable by the Company within 30 days after they are respectively claimed and proof of loss filed with the Company in conformity with this policy. Bankruptcy or insolvency of the insured shall not relieve the Company of any of its obligations under this policy.

4. Payment of Expenses. Loss expenses and legal expenses, including court costs and interest, if any, which may be incurred by the

insured with the consent of the Company in the adjustment or defense of claims, suits or proceedings shall be borne by the Company and the insured in the proportion that each party's share of loss bears to the total amount of said loss. Loss expense hereunder shall not include salaries and expense of the insured's employee incurred in investigation, adjustment and litigation.

5. Appeal. In the event the insured or any underlying insurer elects not to appeal a judgment in excess of the amount of the underlying insurance, the Company may elect to appeal at its expense and shall be liable for the expenses incidental thereto, but in no event shall the liability of the Company for ultimate net loss exceed the amount set forth in the policy plus the expenses incidental to such appeal.

6. Subrogation. In the event of any payment of this policy, the Company shall be subrogated to all the insured's rights of recovery therefor against any person or organization and the insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The insured shall do nothing after loss to prejudice such rights.

Any amount recovered as subrogation shall be apportioned in the inverse order of payment of loss to the extent of actual payment. The expenses of all such recovery proceedings shall be apportioned in the ratio of respective recoveries. If there is no recovery in proceedings conducted solely by the Company, the Company shall bear the expenses thereof.

7. Premium. The premium for this policy shall be computed upon the basis stated in the Declarations. The advance premium stated in the Declarations, unless otherwise specified, is an estimated premium only. Upon termination of this policy the earned premium shall be computed and if the earned premium is more than the advance premium paid, the Named Insured shall pay the excess to the Company. If less, the Company shall return to the Named Insured the unearned portion, subject to the annual minimum premium stated in the Declarations for each twelve months of the policy period, and subject further to the policy minimum premium, as stated in the Declarations.

8. Cancellation. This policy may be cancelled by either party upon 30 days' notice in writing to the other, stating the date cancellation shall be effective. If cancellation is at the request of the insured, adjustment of premium shall be discontinued, and if cancelled by the Company, adjustment shall be discontinued pro rata. However, in the event of cancellation by the insured of any underlying insurance, this policy shall cease to provide coverage within 30 days without notice to the insured. Notice shall be given to the Company to the insured at the address shown in the Declarations. Payment or tender of unearned premium is not a condition of cancellation.
